ORDER SUSPENDING PROCEDURAL SCHEDULE FOR THIRTY (30) DAYS

This matter is before the Pre-Hearing Officer on a letter jointly filed by counsel for AT&T Communications of the South Central States, Inc., Birch Telecom, Inc. and BellSouth Telecommunications, Inc. on March 6, 2003. The letter states that these parties were not served with the *Order Suspending Procedural Schedule for Thirty Days* (“Order”) that was issued on February 19, 2003. The *Order* required the parties to file their respective Issues Lists by March 6, 2003. The letter requests that the time to file the Issues Lists be extended until Monday, March 10, 2003, because the *Order* establishing the revised filing schedule had not been served upon them.

As requested, the Issues Lists may be filed on Monday, March 10, 2003. To allow for a thorough review of the proposed issues, the date for issuing the Issues List is extended for five additional days.

IT IS THEREFORE ORDERED THAT:

The Issues List shall be filed **no later than Monday, March 10, 2003.**
